Summary of Legislation: This bill requires the Governor's Commission on Minority and Women's Business Enterprises to set goals for minority and women's business enterprise participation in state prime contracts and subcontracts.

Explanation of State Expenditures: This bill transfers rule-making authority from the Indiana Department of Administration (IDOA) to the Governor's Commission on Minority and Women's Business Enterprises concerning the setting of goals for minority and women's business enterprise participation for any contract (including prime contracts and subcontracts). Although the Commission does not currently have rule-making authority, statute provides that the IDOA shall furnish administrative support and staff as is necessary for the effective operation of the Commission.
